roblem

The Wright-Fisher process is wrong!

Question: what's missing w/WF model?

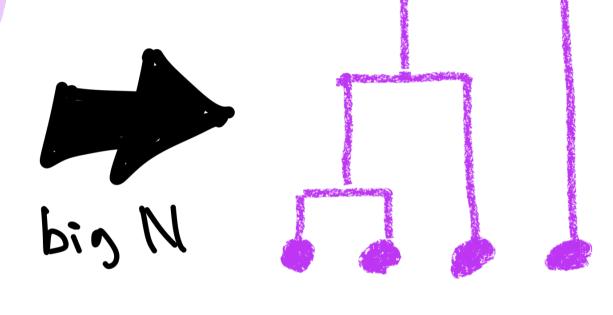

Universality PV=nRT

oh nos, where ore the molecules?

It turns out...

our chabins a Migratian selection.

Universe of models (WF just one)

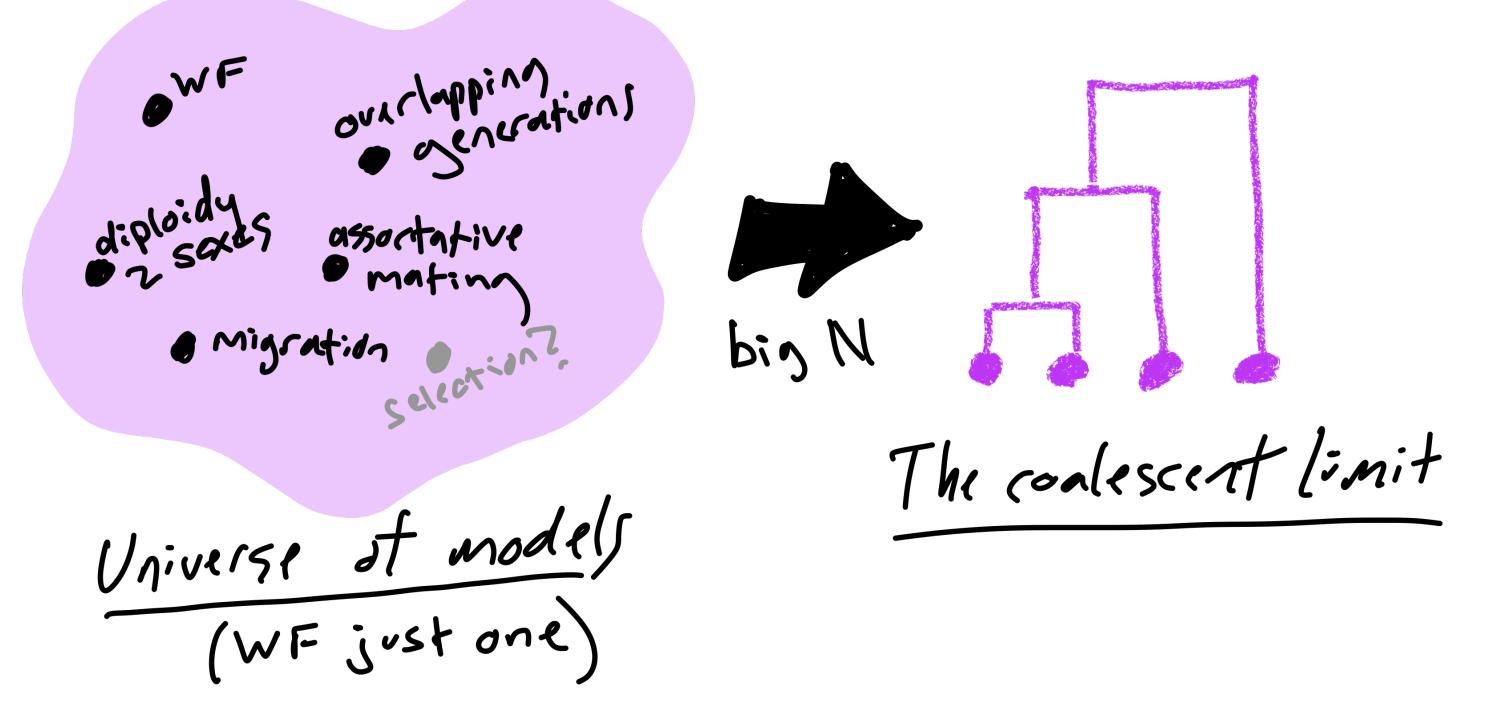

The coalescent limit

Problem

The Wright-Fisher process is wrong!

Question: what's missing w/WF model?

Tt turns out ...

Universality

PV = nRT

Oh nos, where

ore the molecoles?

Cole-escent theoryInspired by GS 551 with Cole Trapnell

- 20 students in a class, numbered 1,2,..., 20
- Each day of class, précessor rolls 20-5 ided die to choose a student to call on
